April 5, 2025

5:00 pm

The Blue Heron
4130 Mendenhall Oaks Pkwy
High Point, NC 27265

Celebrating and Sponsoring Xcellence

Operation Xcel is a 21st Century Community Learning Center nonprofit organization. We provide underserved students with opportunities to participate in academic and enrichment programs.

Partnerships with community schools, employment of skilled educators and administrative staff, recruitment of passionate volunteers, and the support of dedicated community advocates are paramount to our success. These collaborative relationships help us accomplish our mission to equip youth academically, socially, physically, and emotionally through future-focused afterschool, summer, and mentorship programs.

We are inspired, encouraged, and motivated by the following accomplishments:

8 sites: 4 middle school, 3 elementary, and 1 K-8.

3,000+ children served.

90% of students demonstrated academic growth in reading, math, and science.

93,027 direct service hours provided.

465 students across Guilford County received direct services.

Operation Xcel serves locations in Greensboro, High Point, Stokesdale, and Jamestown. We are committed to those we serve and aspire to reach more students and families across Guilford County.

With your sponsorship we will have more opportunities to provide quality services and promote excellent communities, education, and leadership.

We appreciate you, your contribution, and your support.
Together we can make a difference and create positive change.

Thank you for your sponsorship
